

Dr. Hamish Fraser
Ohio State University

EDUCATION

University of Birmingham

Ph.D., Physical Metallurgy, 1972

B.Sc., Physical Metallurgy, 1970

WORK EXPERIENCE

Ohio State University

Ohio Regents Eminent Scholar and Professor, 1989-Present

Director, Center for the Accelerated Maturation of Materials

Director, Campuswide Electron Optical Facility

University of Birmingham

Professor of Materials Science and Technology (Hon.), 1988-2001

Research Associate, 1972

University of Cambridge

Senior Visitor, 1990-1992

University of Liverpool

Visiting Professor, 1986-1990

University of Illinois

Professor, 1984-1990

Associate Professor, 1978-1980

Assistant Professor, 1973-1978

Assistant Director, Center for Electron Microscopy, 1973-1974

United Technologies

Senior Research Scientist, 1979-1980

AREAS OF EXPERTISE

Analytical electron microscopy, materials processing, and development and modeling of advanced materials.

PROFESSIONAL/SCIENTIFIC/HONORARY AFFILIATIONS

Member, National Materials Advisory Board; President's and Provost's Advisory Committee, OSU; Fellow, Institute of Materials; Fellow, ASM; Lumley Research Award; Fontana Teaching Award.
